Discover what’s on the cutting edge of cell biology at the ASCB | EMBO Meeting

Minisymposia and microsymposia talks will be chosen from abstracts submitted in the following areas:

- Bacterial Infection and Symbiosis
- Cell Biology of Neurons
- Cell Biology of the Nucleus
- Cell Cycle, Cell Division, and Cell Death
- Cell Signaling and Cancer
- Cellular Metabolism
- Cytoskeletal Dynamics, Mechanics, and Cell Motility
- Evidence-Based Education
- Multicellular Interactions, Tissues, and Organs
- Organelles and Membrane Dynamics
- Proteostasis and Autophagy
- RNA Biology

"The [2016] meeting was great for me because I had the opportunity to meet scientists in my area of science education. Participating in this conference helped me build a network of diverse fellow scientists whose area of research is also focused on science education using bench work as a teaching, research, and mentorship tool.

—Isi Ero-Tolliver, Hampton University

Registration Rates*

*Free meeting registration for community college and high school teachers

Abstract Submission Fees

- Aug. 1 (talk)—ASCB members $80, nonmembers $110
- Aug. 31 (poster)—ASCB members $80, nonmembers $110
- Oct. 11 (poster)—ASCB members $100, nonmembers $130

Meeting Announcement/Call for Abstracts

Dec. 2-6, 2017 | Pennsylvania Convention Center | Philadelphia, PA

Join the conversation #ascbembo17 | ascb-embo2017.ascb.org
ASCB|EMBO 2017
...following the arc of scientific discovery

Fred Kavli
Keynote Lecture

Cori Bargmann
The Rockefeller University and Chan Zuckerberg Initiative

Wolfgang Baumeister
Max Planck Institute of Biochemistry, Germany

Jennifer Lippincott-Schwartz
Janelia Research Campus, HHMI

Gia Voeltz
University of Colorado-Boulder

Program Co-Chairs:
Laura Maciesky, Beatson Institute for Cancer Research, and Tobias Walther, Harvard Medical School/HHMI

Structure of the Cell

Wolfgang Baumeister
Max Planck Institute of Biochemistry, Germany

Jennifer Lippincott-Schwartz
Janelia Research Campus, HHMI

Gia Voeltz
University of Colorado-Boulder

Metabolism

Michael Hall
Biocenter, University of Basel, Switzerland

Helen H. Hobbs
University of Texas Southwestern Medical Center/HHMI

Cell Biology of Neurons

Luuk Kaptein
Utrecht University, The Netherlands

Kang Shen
Stanford University/HHMI

Christopher Walsh
Boston Children’s Hospital and Harvard Medical School/HHMI

Cell Interactions

Valentina Greco
Natl University School of Medicine

Gillian Griffiths
Cambridge Institute for Medical Research

DNA/RNA Biology

Angelika Aron
Massachusetts Institute of Technology

Carlos Bustamante
University of California, Berkeley

Job Dekker
University of Massachusetts Medical School/HHMI

Quality Control

Tom Rapoport
Harvard Medical School/HHMI

Brenda Schulman
St. Jude Children’s Research Hospital/HHMI

Want to give a talk?
On average 30% of first-deadline abstracts are selected for talks. Submit your abstract by Aug. 1 for consideration.
